Mr. [REDACTED]  
Chief, Administrative Staff/OTR

15 April 1954

Chief, Records Management Division/MS

Selection of Area Records Officer

In accordance with your recent request I am forwarding the folders of four individuals for your consideration as an Area Records Officer for the Office of Training. Attached is a summary of the background and experience of each. Before making a selection I would suggest that you discuss the relative merits of each individual with their respective supervisors. With assistance as necessary from our staff, I am sure that any one of these men can establish and operate a Records Management Program for your office.
